[AT Kearney](#) Slovenia and [IFAC](#) TC5.3

14-16 December 2009 Bled, Slovenia

Ladies and Gentlemen,

we are very much looking forward to your visit to Slovenia for the ICEIMT workshop and ISO TC184/SC5/WG1 meeting; the two events that are scheduled for December at IEDC – Bled School of Management in Slovenia.

If you need an invitation letter to get the visa for Slovenia, please do not hesitate to contact us. I need your full name, birth date, nationality and the full business address.

When booking your flights, please note that the most convenient is Ljubljana airport which is 35 km from Bled.

Public transportation is not very convenient to come out of the airport, therefore we can arrange a shuttle service from the airport to Bled and back. The transfer fee from/to the airport is fixed and it costs €38 per car for up to three people (and every additional person extra €10). This is about 25% cheaper than regular taxi fare. Should you decide for this option, please send us your travel details so that we can arrange the service for you.

We have tentatively reserved the rooms in hotel LOVEC Bled (<http://www.lovechotel.com/>) for you. The special price of a single room with breakfast is EUR 80, please confirm it to us with the exact dates of your stay by **November 15, 2009** at the latest.

IEDC – Bled School of Management is in a walking distance from Lovec hotel and the map of Bled is attached to this e-mail for your orientation.

If you have any other questions related to the organization of the workshop/meeting please do not hesitate to contact us.

With Kindest Regards,

Tadeja Omovšek
Program Manager
